AUDITOR'S REPORT

The Council
 Rural Municipality of Britannia No. 502
 Lloydminster, Saskatchewan

We have audited the consolidated statement of financial position of the Rural Municipality of Britannia No. 502 as at December 31, 2010 and the consolidated statements of operations, change in net financial assets and cash flow for the year then ended. These financial statements are the responsibility of the municipality's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the municipality as at December 31, 2010, the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.
